Dear Lt. Rushing,

As the Co-Chairmen of the Florida Regional Domestic Security Task Force, Region 6, we would like to take this opportunity to thank you for your assistance during the September 13, 2002 incident on interstate 75 in Collier County. The actions of yourself, and others like you, was a defining example of the extraordinary cooperation we enjoy in dealing with many professional organizations during such incidents.

During the past year, our nation, state, and region have made great strides in preparing for and responding to such events. Our collective efforts are clearly paying off; our efficacious response to this incident is clear evidence of that. We look forward to working together in the future as we continue providing for the safety and wellbeing of our citizenry.

Again, thank you for your assistance.
