ALFRED HOFFMAN, Jr.
Chief Executive Officer

January 8, 2003

Colonel Christopher A. Knight, Director
Florida Highway Patrol
Neil Kirkman Building
2900 Apalachee Parkway
Tallahassee, FL 32399

Dear Colonel Knight:

I am writing to commend Captain Kenneth L. Spears and Captain James G. Brierton for the great help and assistance they gave me and my group during the inaugural events. They were not only professional at all times, but they were extremely pleasant and helpful and 100% reliable on everything that I asked of them. Their assistance in driving me and my people to various events, making sure we didn't get lost and arrived on time, was invaluable. I recognize that it is not normal to have a Captain be a driver, but I just wanted to tell you they went above and beyond the call of duty and I am most appreciative.

Thank you for all the help that your people have provided in making these inaugural ceremonies successful. I know that the Governor was very happy with the way everything was handled, and you all played a part in this success. Thank you again.

Sincerely,

cc: Governor Jeb Bush
Chief Jim Howell, Tallahassee
Captain Kenneth L. Spears
Captain James G. Brierton
