

Col. Chris Knight
Florida Highway Patrol

Col. Knight I am writing this letter to let you know that you have a very professional and nice Trooper serving your fine state. I was stopped because I was exceeding the posted speed limit on I-10. This Trooper was very polite and courteous to us. I just want to take this time to express our thanks to you and him for being nice. We need more people like him not just in law enforcement but everywhere. The Trooper's name is Michael Uzzell. Please let him know that he is doing a great job out there on the road and to keep up the good work.

Thank you very much for letting me have this time to say THANK YOU, ALL for doing you job in an excellent way and professional way.
