Dear Colonel Knight:

On behalf of the members of the Plantation Community Foundation, I want to extend our thanks to Captain Van G. Fussell, Troopers Scott Murray and Milton Mandell for volunteering their services during our annual Celebrity Golf Classic in Venice on February 13, 2003.

The Celebrity Golf Classic is our major fundraiser and this year, with the assistance of all our volunteers we will be able to award grants exceeding \$100,000 to charitable agencies in South Sarasota County.

We are proud and honored to name the Florida Highway Patrol as one of our contributing organizations in making South Sarasota County a better place to live.

Sincerely,

Michael B. Casey, President
Plantation Community Foundation
