Subject: Letter of Appreciation

Mr. Knight,

On April 27, 2004 the Clermont Police Department Narcotics Division and the Drug Enforcement Administration affected the arrest of several members of an organization that were trafficking in crack cocaine in the Clermont and Central Florida area. During the operation Lieutenant Antonio Bartolome Jr. organized the traffic stop on the involved parties. If not for his valuable assistance and job knowledge the operation would have not been a success. It was a true pleasure working with Lt. Bartolome who represented your agency with the highest level of professionalism.

Sincerely,

Randal A. Story
Chief of Police
