State of Florida vs. JEFFREY PATTON
Case Number: CRC01-01068CFAWS-3

Dear Captain LaMont:

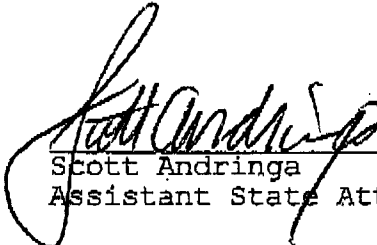

I am writing to commend Corporal Scott Campbell for his involvement in the above referenced case. Corporal Campbell's thorough investigation of this case, particularly the photographs and the videotape of the scene, as well as the interviews of witnesses, were critical to the successful outcome that was all hoped for. His assistance to Corporal Stewart and Corporal Barge was also instrumental in proving that the defendant, rather than the victim, caused or contributed to the cause of the accident that resulted in the death of two people and permanent debilitating injuries to another. Corporal Campbell was generous with his time and returned to the courthouse several times before and during the trial to assist us in presentation of evidence. The citizens of the State of Florida and Pasco County are much safer with Mr. Patton behind bars.

On behalf of a grateful community, not to mention the attorneys and staff of this office, we thank Corporal Campbell for all of the hard work that ensured that in the end, justice would be done.

Very Truly Yours,
BERNIE McCABE, State Attorney
Sixth Judicial Circuit of Florida
