Dear Colonel Knight:

Recently my son's car stalled in Tallahassee at the intersection of Tharpe and Ocala during rush hour. Trooper David Todd Carter was first on the scene, and made sure that my son was safe and a tow truck was called to assist. Trooper Carter made sure my son was safe in a professional and courteous manner.

Many times we take our officers for granted until a need arises. Admittedly, this need was insignificant in light of the much more important duties performed by officers every day. I wanted to let you know that Trooper Carter epitomized the professionalism that I would expect from a police officer.

Thank you very much for having troopers of the caliber of David Carter. He is a credit to the Florida Highway Patrol.

Sincerely,

Michael Olenick
Attorney
