Dear Florida Highway Patrol Operators,

This letter is to commend you on your professionalism. My incident was on 75N and I was feeling threatened by another driver. I contacted 911 who transferred me to FHP. I was becoming terrified. Of course I saw the thriller movie Taking Lives the night before. Maybe that movie was to prepare me ☺. The Dispatcher stayed on the line with me the whole time. 2 FHP Officers were able to find the Stalker and question him. It took a load off with your Dispatch Service. Of course I was completely freaked out. So I commend you Dispatch. You had patience, understanding and you were not afraid to tell me to take a deep breathe.

2nd Incident:

My Fiancé was recently stopped and Warned by Officer Michael E. Uzzell I.D. #0576-0453. He (being my Fiance) asked me to be sure to write a letter to FHP and mention the Professionalism that Officer showed. WOW! He had class. my Sweetheart said.

My incident happened a few months ago. Since my Sweetheart recently asked that I write a letter. I decided to include my story as well. I hope you have a really nice day.

Sincerely yours,

Trudy Fuhrman
