Dear Colonel Knight:

On behalf of the Daytona Beach Police Department, please accept our thanks and appreciation for the assistance rendered by your personnel during Speed Weeks 2004.

I would especially like to commend Captain Robert Duncan, Lieutenants Kevin Vaughn and Leonard Zimmerer and the Troopers under their command for their assistance with the pre-planning for all race events, to include the Presidential visit. These dedicated professionals worked long hours under stressful conditions. Their dedication to duty, attention to detail and outstanding teamwork reflected highly on themselves and the Florida Highway Patrol's Office.

With the cooperative efforts of your dedicated staff, this year's Speed Weeks wound up becoming one of the most successful ever.

Sincerely,

Dennis M. Jones
Chief of Police
