Dear Col. Knight: / *Chris*

I and this agency would like to thank you for thinking of us during the time immediately following the devastation of Hurricane Ivan. As you know we were trying to work with limited resources because our building was severely damaged.

The personnel that you provided to assist us in our recovery were greatly appreciated. The professionalism of your personnel and the assistance that they gave to our officers will not be soon forgotten.

If there is anything that we can help you with in the future, please do not hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads "Wendell Hall".
