Re: State Trooper John G. Garrett

To Whom It May Concern:

I would like to extend my sincere appreciation for the help given to me by Trooper John Garrett. While riding home one evening, I began to experience car trouble. My lights began to blink off and the engine started to run roughly. As I was stranded, Trooper Garrett stopped to help me. He contacted AAA and even stayed with me until they arrived.

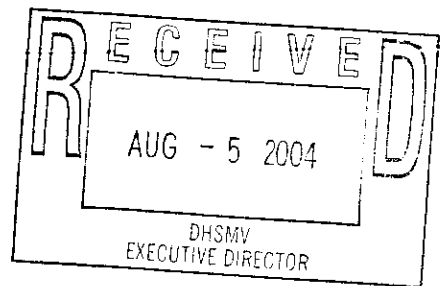

Our law enforcement officers don't always get the credit they deserve. I feel blessed for having met Trooper Garrett and I would like to make sure he gets recognition for a job well done. Our community is kept safe by his actions.

Sincere Blessings,

Gene A. Romeo
