

To: Whom it may concern:

I just want to thank all the troopers who day after day go out to keep all the interstates safe for us all. I was just writing to compliment one specific trooper, Mr.

M. R. Noah, he made getting pulled over a very pleasant situation.

I'm sure not every trooper isn't as nice as he is, but he really changed the way of police officers that I once had. I don't know how much this means to a lot of people, but it really means a great deal to me, that's why this letter is hand-written and not typed. I really wish that Mr. Noah's efforts don't go unnoticed. I just wanted to get a sincere thank you to him.
