To: Commanding Officer F.H.P.

From: Larry W. Larson

Subj: Corporal Linda A. Powell F.H.P. Ft. Myers

On May 18, 2004 at 1430 during a funeral procession, at which Cpl. Powell was on duty, I was involved in a five motorcycle accident.

Several days later upon acquiring a copy of the accident report, I was listed as the party at fault by the Cape Coral officer making the report. I am in the process of having that report amended.

On my request Cpl. Powell forwarded a witness report to the Cape Coral police officer. I would like to commend Cpl. Powell for her acute powers of observation and her prompt and professional attention in this matter. She is a credit to your department and law enforcement in general.

Sincerely,

Larry W. Larson NYPD Ret.
