**TO:** COL. CHRISTOPHER KNIGHT, CHIEF SILVESTER DAWSON  
**CC:** MR. BILL RICHARDSON

**RE:** "DON'T TAILGATE" PSA

---

Col. Knight, I wanted you and Chief Dawson to know what a very great help Bill Richardson was in putting together the FHP aggressive driving Public Service Announcements that are now being completed.

Bill was kind enough to arrange and shoot not one, but two versions of a traffic stop which became part of one of the PSAs. His work –and thanks to him, the Department's work –will be seen by thousands of Floridians. Bill's generosity and graciousness (and the kindness of all the good folks at the Academy who also helped) deserve to be noted and applauded.

I appreciate the opportunity to work with a person who goes way above the call of duty, as Bill does. I also appreciate the opportunity to share some good news about him with you gentlemen. Thanks to you both.
