Dear Colonel Knight:

RE: Corp. Donna Stewart

I am writing to commend one of your officers, Corp. Donna Stewart. My partner Mike McLeod and I met her for the first time working on the case of Rogers vs. Odom. Corp. Stewart worked this accident which involved serious injury to one of our clients. The accident was complex involving two separate incidents and required some degree of reconstruction. Corp. Stewart spent time in preparation with us and then set up the scene for the jury, using aerial photos, which she coordinated with photos on the ground. We introduced about a dozen exhibits to the jury while Corp. Stewart was on the stand.

Throughout this matter Corp. Stewart displayed great knowledge, intelligence and ability to communicate. She was most generous. She went above and beyond in order to assist us and the jury and would not even let us buy her a cup of coffee. She is a fine representative of the Florida Highway Patrol and reflects very favorably on your organization.

Very truly yours,

William Rankin
