Dear Col. Christopher A. Knight

I give many "Thanks" to the group of Fla. State Troopers who so graciously came to help me out after Hurricane Ivan caused a huge oak tree to fall on my home. These troopers removed it completely for me and only took a great "Thanks a Lot" from me. What a wonderful and caring group, they are angels to me.

The world needs more people  
as special as you, State Troopers

For joy is a part  
of each thing that you do,  
Your laughter and smiles  
brighten so many days—

Thank you for all  
of your wonderful ways.
