

to the Director,
Fish. & Wildlife Patrol,

I just wanted to let you know
I got pulled over by one of
your officers at 9:21 PM
on the 27th day 10th Month, 04,

Mr. C.D. Woods ID# 2163-1451
Troop 0/1

People like you Mr. Woods,
are the kind of people you
need more of.

Polite, Courteous, professional.

It was almost a pleasure to
be pulled over.

I had run off a dirt road
to miss an oncoming truck
in my lane, probably too much
bouncing around loose end,
and destroyed headlight.

It is now fixed of course, I
had to get it back to our
company mechanic.

Thanka for your time.

and please tell Mr. Wood, people like him can restore the faith, and curb the dis-like people have about cops; and I thank him.
