Dear Sir:

This letter is to commend your Florida State Trooper, H.E. Dulin, who issued me the enclosed warning notice on 12/12/2005. He was extremely courteous, and being a former resident of Pennsylvania, I am very pleasantly surprised with the conduct and policies of your troopers in Florida. In Pennsylvania, they throw the book at you for even the most minor infractions, and that is why Pennsylvania's highway system is ranked last in the nation, with not only bad roads, but bad law enforcement.

You should be happy to have officers like Trooper Dulin under your command, as he is a great asset to your widely respected Florida Highway Patrol Force. Thank you for providing such high quality protection and enforcement for your Florida residents.

Sincerely,

Charles F. Koval
