The Operation One Voice volunteers, police officers, deputies and firefighters wish to express our sincere appreciation to you for joining our team and standing in support of our military's Special Operations Forces by supporting the children of fallen SOF troops. These Special Operators have given their lives in the same manor as our brother firefighters & police officers did on 9-11, placing the lives of others before their own.

Your contribution has strengthen the Operation One Voice Team and just like on the fire ground or in any of the Special Forces mission, it's a team approach that enables us to put out the fire or complete the mission. It's this same team approach which helps us complete our mission in providing these children the means to succeed in life.

On November 10, 2006 at 3:30 pm the SOF Run Team ran from the MacDill AFB gate to the Special Operations Forces memorial for ceremony and wreath lying with the Command and families of the fallen. private ceremony, we were given time the commanders and families. We were be part of the ceremony and as a group able to see the fruits of our efforts. Your invaluable to the program and the future these children. We ask that you joining with Operation One Voice in supporting our Special Operations Forces and the families of the fallen heroes.

a private members of During this with both honored to we were support is successes of continue

We encourage your agency to become more directly involved; one or more of the board members will gladly meet with you and provide detail information on how to increase your participation. Together, we have a strong united voice!

We welcome a FHP Trooper as well as you and Asst Chief Hernandez; even a few miles together would inspire the other SOF Runners.

Thank you for your support,

Lt. Bill Stevens
