Re: Mayor John F. Cosgrove Funeral

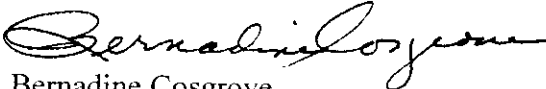

Dear Colonel Knight:

On behalf of the Cosgrove family, I would like to gratefully acknowledge the participation of **Major David McCarter** of the Florida Highway Patrol office located in Miami, Florida. Because of his efforts, my husband's funeral was a dignified occasion; under the most horrific of circumstances for us.

Both my son and future daughter-in-law are in law enforcement. I was very proud that they were able to see John shown such great respect.

I pray every day that those who protect, are themselves protected.

Sincerely,

Bernadine Cosgrove
