Dear Trooper Papp:

Thank you for becoming a community partner in serving abused and neglected children in Southwest Florida. Your generosity in donating car seats for children in foster care was greatly appreciated. Those care seats allowed us to safely transport children that are being removed from abusive homes settings.

The Children's Network of Southwest Florida is the Lead Agency for the Community Based Care Project in District 8. Community partners are the key to success for the children in care.

Again, thank you for your continued support.

Sincerely,

Debra Webb, APR
