Dear Colonel Knight:

I would personally like to thank you for the help your agency provided to the Georgia State Patrol during the 2007-2008 promotional process.

This endeavor clearly could not have been accomplished without your assistance and that of your personnel who served as assessors.

You and your department were well represented by Major Tony Allen, Captain Bob Miller, Sergeant J. D. Johnson and Sergeant Diane L. B. Martinez. Without exception, these individuals were a credit to the law enforcement community. Their professionalism was unquestionable and their dedication and tireless efforts reflected well on you and the State of Florida.

I look forward to working with you and your agency again in the future. If we can assist you in any way with your promotional process or any other project, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Bill Hitchens".
