Dear Colonel Knight,

On Wednesday, February 7, 2007, we were fortunate to have Trooper Alex Annunziato and Trooper Alex Rodriguez and their dogs, Rick and Nick, visit our early childhood program for "Community Helper Day". Troopers Annunziato and Rodriguez were so informative and they shared all that they could to help us learn about the Florida Highway Patrol K-9 Unit.

Their presentation was outstanding. They spoke to the children on their level and had the dogs respond to their commands. They were able to keep the attention of 60 nursery children for 40 minutes. This in itself was quite an accomplishment!

Thank you for allowing Troopers Annunziato and Rodriguez to visit with us. It was such an exciting and meaningful experience. We will talk about and remember their visit for a long time to come.

Sincerely,
