To: the Florida Highway patrol.  
FROM: Kimberly & Caroline  
(Moms of twins)

To whom it may concern,  
~~The~~ This letter is to recognize Trooper Michael Gideons for his outstanding support when we were stranded on the side of the road in Alligator Alley due to a flat tire. Not only did he offer to change our flat tire, but he also escorted us to the ~~the~~ nearest tire center in Naples to assist in getting a new tire. He let the tire place know that we were very late for an important meeting and expedited our service. Because of his generous help and kindness we made it safely to our meeting. Throughout our interactions, he was very professional and courteous and therefore deserves to be recognized.

Please thank him for all of his help and support!

Sincerely, Caroline + Kimberly
