Major Brown:

On March 1, 2007 a felony warrant was issued for the arrest of Kimberly Caldwell on a charge of "Interfering With Fire Suppression Equipment". On March 7, 2007 Trooper William Hitchcock (1281) made contact with Ms. Caldwell, arrested her, and ensured that this office was notified of the arrest.

On April 13, 2007 a felony warrant was issued for the arrest of Brian Tinkey on the charges of "Arson" and "Insurance Fraud". On May 7, 2007 Trooper Hitchcock again assisted this agency with the apprehension and arrest of Brian Tinkey, and transported him to Lake County Jail.

I would like to take this opportunity to commend Trooper Hitchcock for his assistance, and the Florida Highway Patrol for your cooperation.
