RE: Lt. Roley E. Kiker

Colonel Knight,

I am writing in response to Lt. Roley E. Kiker award of the Medal of Valor. First, let me say that it does not surprise me. I have seen Lt. Kiker around our area for the last few years. I did not know his name until I read the story about him in the Pensacola News Journal. I live off Kingsfield Road in Pensacola and Lt. Kiker is a regular fixture on Kingsfield Road. I for one commend him for a job well done. People who travel and live in this area should feel very fortunate to have Lt. Kiker patrolling our highways. I have stopped and "Thanked" him for keeping our area safe and just wanted to let you know how I feel. As you are already aware, Lt. Kiker is an "Outstanding Officer" and asset to the Florida Highway Patrol and the citizens of Florida.

Cordially,

A handwritten signature in black ink that reads "John A. Smith".
