Dear Colonel Knight:

On behalf of the members of the Plantation Community Foundation, I want to extend our sincere thanks to your officers for their services during our annual Celebrity Golf Classic in Venice on February 22, 2007. Captain John Donovan made the arrangements for two officers to handle traffic and crowd control during the event. Trooper Scott Murray and Corporal Chris Ricci volunteered their services again this year at the event.

The Celebrity Golf Classic is our major fundraiser; and this year, with the assistance of all our volunteers, we will be able to award grants exceeding \$150,000 to charitable agencies in South Sarasota County.

We are proud and honored to name the Florida Highway Patrol as one of our contributing organizations in making South Sarasota County a better place in which to live.

Sincerely,

Bob Thinnes, President
Plantation Community Foundation
