Dear Trooper Papp:

The purpose of my letter is to thank you for your presentation At the Florida Sheriff's Youth Ranches Summer Day Camp held June 4 through June 8, 2007 at the DeSoto County Fairgrounds.

The roll-over demonstration stressing the importance of seat belts was most impressive and your skills and abilities to relate to the 6-12 year old age group in educating them on their personal protection and safety are most admirable.

Again, on behalf of my office staff and the Florida Sheriff's Youth Ranches I thank you for your support at our Summer Day Camp and a job well done.

Sincerely yours,

  
Vernon L. Keen
