**Dear Colonel Knight:**

I would like to take this opportunity to commend the excellent work of Sergeant Mark Shoaff for his proactive approach in identifying and dismantling an organized motorcycle theft ring.

The Broward County Sheriff's Office, Strategic Investigations Division, Auto Theft Task Force and Task Force members from the Florida Highway Patrol identified an organized group that was operating in South Florida and the Caribbean. This group was responsible for the theft of hundreds of motorcycles, generally consisting of the 2005/2006 models. The motorcycles ranged in price between eleven thousand dollars (\$11,000) and twenty three thousand dollars (\$23,000). These motorcycles were dismantled and brokered at a far less than fair market value. Many of these motorcycles were exported to the Caribbean and reassembled for illegal profit. The Task Force infiltrated this organization and identified the active members operating within South Florida and the Caribbean.

On August 12, 2006, the Broward County Sheriff's Office and Florida Highway Patrol, in which Trooper Ivan Sarrion, Trooper Edgar Rivera, and the Florida Highway Patrol S.W.A.T. Teams, under the command of Captain Bradford Pelton and Sammie Thomas, along with members of the Miami-Dade Police Department, City of Miami Police Department, National Insurance Crime Bureau, and the Hollywood Police Department, successfully dismantled this illegal operation. Additional letters of commendation will be forwarded to the respective Agencies. The success of this operation, code name "Fish Net," resulted in seven (7) Arrest Warrants, four (4) Search Warrants and two (2) Consent Searches.

Operation "Fish Net" targets were charged in State Court with Racketeering, Conspiracy to Commit Racketeering, Dealing in Stolen Property, Possession of Motor Vehicle with Altered V.I.N., Possession of Burglary Tools, Grand Theft Motor Vehicle, Operating a Chop Shop and the seizure and confiscation of motorcycles and property valued over one hundred and ten thousand dollars (\$110,000).

This investigation would not have been possible without his hard work and dedication. There is no doubt that the successful outcome of this case was a direct result of Sergeant Shoaff's persevering and efforts, professionalism and outstanding dedication to duty.

Sincerely,

  
LT Colonel Hector M. Pesquera, Director  
Regional Support and Investigations Bureau
