Dear Sir:

I regret that I have waited so long to write this letter to you. However, it is not too late to commend one of your troopers for his courtesy and professionalism; that trooper being "the one and only" Trooper Slade (ID #0503).

My wife and I had the "occasion" to meet Trooper Slade on/or about May 18, 2007 at SR55. I was going a little too fast on US19 South when he pulled us over. I can't explain why but before it was over, I knew that I had met a fine officer and gentleman.

If you have a "Trooper of the Year" then I nominate Mr. Slade. My hat is off to him!

Regards,

FRANK R. DURR, DPA
