Honorable Christopher Knight,
Director, Florida Highway Patrol
2900 Apalachee Parkway
Tallahassee, FL 32399

Dear Colonel Knight:

I would like to take this opportunity to personally thank you for your agency's participation in our 3rd Annual Kids with Cops Day on Friday, May 4th. This event was a great success and without dedicated individuals like yourself, who volunteer their personnel for assistance, it would not have been so. I would like to commend the following individuals from your department for their vital role in how well they handled themselves professionally, and while mingling and communicating with the students from our local schools here in Franklin County(Grades K-5).

The personnel from your agency were Florida Highway Patrol Rollover Unit - Trooper Travis Wilson and Trooper Daniel Jones.

Again thank you, and if I can ever be of assistance to you, please do not hesitate to call.

Sincerely,

A handwritten signature in black ink that reads "Mike Mock".
