

September 26, 2008

To the Director of Florida Highway Patrol,

I would like to submit this letter of commendation regarding one of the Florida Highway Patrol Troopers. I was pulled over by Trooper R.L. Barron (I.D. #1275, Troop K) on September 13, 2008 in Polk County while driving on SR-570 M/M 11. R.L. Barron was very polite, kind, courteous, understanding and professional. Florida State Troopers unfortunately have a stigma of being (to put it nicely) unpleasant. My experience with Trooper R.L. Barron was a surprising contradiction. Please submit this letter of commendation to his supervisor and make sure Trooper R.L. Barron is recognized with some sort of reward for his unexpected professional & pleasant conduct. He should be rewarded because he is helping to improve the relationship between law enforcement and the public.

Thank you,

Megan Awtrey
