REF: Trp T. C. Colalillo, ID 1808, FHP

Dear Governor Christ

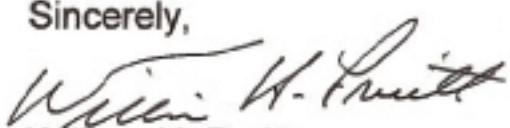

As the highest position, held by any person, in the State of Florida, I  
Want to thank you and the head of the Florida Highway Patrol for the  
job of selecting outstanding troopers. I'm sure there are many  
troopers who meet this category, however T. C. Colalillo, in my  
opinion, is the greatest.

On June 15, 2008 I wrecked my automobile by sliding off the  
pavement into a tree. Trp Colalillo was there in 5-10 minutes. I was  
bleeding from the in pack of the air bags and safety belts, but no  
serious injuries.

His attendance to me and my condition was paramount to him. He is  
of the greatest.

Please convey my appreciation to Trp Colalillo and his supervisor for  
an outstanding service. Should the occasion ever arise that I could  
put in a good word for the trooper, it would be my honor.

Sincerely,

  
William H. Pruitt
