Commendation for Officer Alexander Cummings

Dear Sir,

On Sun. Sept. 28, '08 about 2:00 PM
my wife & I had a tire failure on
Ht. 301 near Sawtey, FL. The tire
did not lose air, but the tread
separated. Luckily Officer Cummings
was nearby having stopped a car. He
escorted us to Starke, to a Walmart,
but a tenth of a mile before reaching
Walmart the tire blew. Mr. Cummings
helped us unload the car & changed
the tire for us. We then proceeded to

Walmart for a new tire. Officer
Cummings was very patient, polite,
& pleasant. We are very appreciative
to this day. We were on our way home
to Venice after a vacation in N.E., &
of course had a fully packed car.
Being 89 yrs of age it was impossible
for me to deal with the tire.
