Re: Trooper Cpl Brian Davis ID # 1512 Troop A

Director:

I am writing to inform you of the professional stature portrayed to me by Cpl Brian Davis. On Friday, August 22, 2008, immediately after merging onto 1-10, I was pulled over by Cpl Davis. He remained professional and respectful as he inquired as to why I was speeding.

I remained honest with Cpl. Davis, informing him that I did not realize I was over the speed limit and that I was leaving one job and headed to another. After giving me a written warning, and explaining why I received it he let me go on my way.

I currently work within the judicial system and collaborate with multiple law enforcement agencies. It is for this reason that I write. Law enforcement officers often receive letters when they have done a poor job. Yet, rarely are they commended when they get it right. I just wanted to thank your department and Cpl. Davis for the professionalism and respect shown to me.

I hope to never see those blue lights behind my car again, but if it happens, I hope I am afforded the same respect and professional treatment exhibited by Cpl. Davis.

Cordially,

Thankful Citizen
