Dear Governor East:

Please note Trooper Jeffrey
W. Hattle, I.D.# 2426/1358
rendered outstanding assistance
to my wife and myself this
past Monday, September 8
on Hwy. I-10 at near dusk
after our car's engine failed.
We are quite senior and were
much reassured by his courtesy,
practical assistance (he even
provided mosquito repellent
as we were swarmed), and good
humor.

We trust this note will find
its way to his Troop commander.

Sincerely,
Hugh Davis
