Dear Colonel Czemis:

I would like to take this opportunity to thank you and your department for assistance provided to Governor Matt Blunt and his family during our visit to the Miami area November 12 through 16, 2008. We would especially like to commend Trooper Pierre Llanio for his kind and professional service during the Republican Governor's Association Conference and the personal time Governor Blunt's family enjoyed during this time.

Trooper Llanio's assistance was invaluable, and allowed our division to complete its mission in a safe and efficient manner. I received favorable comments about Trooper Llanio from members of our detail and from Missouri's First Family. Thank you for assigning Trooper Llanio to help us. If we can ever be of assistance to you in the future, please do not hesitate to contact me.

Sincerely,

MICHAEL V. MEYER, Lieutenant  
Governor's Security Division
