

To Whom It May Concern:

My name is Alfredo Sanchez and would like to take the time to thank officer W.S.Mckenzie badge no. 2669 for his job well done October 12 2008.I was in a car accident that day of the 12th at 3:30 am.It was a hit and run and officer Mckenzie after taking my report of a hit and run.He call me back about two hours later with the good news that he had found the vehicle and the driver and that she was drinking and that she has two charges and that he was going to mail me the new report which I received.I am very impress of how he found the vehicle with only very little information that I gave him about the car.I only told him the color and that it was a lady driver.Anyway,I thought that I had a total lost and a big out of pocket expence for me something that I cant afford.But,thanks to his hard caring work he made a big diference to me.we need more officers like him out there.This officer deserves a medal for a job well done.Thanks again....
