RE: Child Passenger Safety Week 2008

Dear Dawn:

On behalf of the Project Buckle Up staff and my entire office, thank you for your support of our first full week of activities celebrating Child Passenger Safety Week. Our goal was ambitious this year, and you made our event a success. With your help I understand 23 cars were checked at the Project Buckle Up car seat inspection event at Plantation Plaza last week.

Ever since we started Project Buckle Up you have been a friend of the program, providing information, instruction, assistance and resources. My staff often calls upon you and your vast knowledge to properly inform and educate the people we serve. I appreciate your kindness, patience and availability, and I look forward to many more years of joint service to the children of St. Johns County.

If you need anything, please do not hesitate to call me at 904-209-2250.

Respectfully yours,

Thanks

Dennis
