Colonel John Czernis  
Florida Highway Patrol  
2900 Apalachee Parkway  
Tallahassee, FL 32399

Dear Colonel Czernis:

Recently our teenaged sons attended the Driver's Edge in Orlando, Florida. We cannot thank you and your organization enough for the support provided to this event. The quality of the event along with the professionalism exhibited by all the staff members could not have been higher.

The impact on our son was immediate and undoubtedly what he learned will stay with him hopefully during these younger years of driving. Driving in Orlando has become quite an adventure so any additional learning strategies can only help the young drivers of today. What the Driver's Edge brought to Orlando exceeded all of our expectations and we felt is a privilege to be able to participate.

Sincerely,

John E. Askew, CFBE  
Director of Food and Beverage  
and

Barb Bowden  
Assistant General Manager  
Corporate Director of Revenue Management
