RE: Sznerch v. Diana M. Jiminez, et. al. CASE NO.: CI 02-AN2780  
Consolidated for Trial with: CASE NO.: CI 02-AN1093

Dear Colonel Czernis and Major Brown:

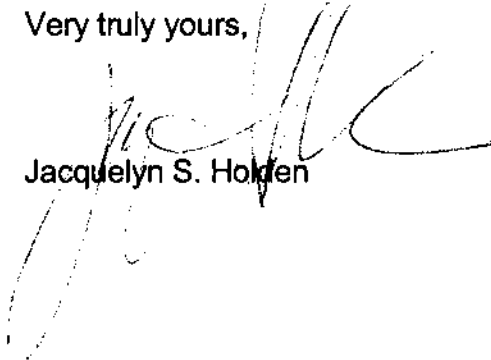

I wanted to commend Sergeant Blackwell for his assistance in the civil matter of Sznerch v. Diana Jiminez, et. al. It was a case stemming from an unfortunate DUI Homicide caused by Diana M. Jiminez in December of 2000. In that tragic accident, a wonderful husband/father, Peter, and daughter, Alicia, were killed. Also seriously injured was his wife, Cathleen and son, Nicholas.

Sergeant Blackwell was extremely respectful not only to the court, but to our clients, who still mourn the loss of their loved ones. His concern for the family did not go unnoticed by them; in fact, it was much appreciated by the Sznerch family. Sergeant Blackwell displayed a great deal of professionalism in his preparation and cooperation for the trial, as well as during his testimony.
