Dear Major Ryan Burchnell:

On behalf of the Pasco Sheriff's Office, I would like to extend our gratitude for Capt. Jacqueline Freeman and Lt. Kristina Quenneville role on the promotional oral board interviews on December 7, 8, and 9 2009. We appreciate the professionalism, and dedication to the project your employee displayed throughout the process. I am also thankful for their flexibility in meeting the demanding duties and their objective evaluation of all our candidates. We believe that the "outside" perspectives and experience you brought to the team will greatly contribute to the quality of supervisors selected.

You and our fellow team members are true professionals who represented your individual agency and the discipline in a professional manner. We look forward to working with your agency again in the future. Should your agency need assistance with oral board members, please contact me at 727-844-7704.

Once again, thank you for assisting the Pasco Sheriff's Office in our promotional process.

Sincerely,

BOB WHITE, SHERIFF
