Dear Governor Crist,

While returning from the Florida/FSU game Sunday afternoon, our motor home became disabled in the Apalachicola National Forest on Hwy 267. Very soon FHP Trooper Simmons, then Sgt. John Haire, stopped to assist us.

Both Trooper Simmons and Sgt. Haire are a credit to this fine organization. They were truly professional, knew who to call, and did much more than we expected. We felt much safer after their visits and were glad to know they were around.

Please send our thanks and admiration down your chain of command so these fine troopers receive the recognition they deserve.

Sincerely,

Joe and June Mizell
