Scituate, Massachusetts 02066

Dear Mr. Marcin,

The Department of Highway Safety and Motor Vehicles, Division of Florida Highway Patrol has received the required report submitted by an independent testing laboratory fulfilling the approval requirements for light transmittance measuring devices to be used in the State of Florida, for the purpose of obtaining evidence of non-compliance of light transmittance tolerances.

Pursuant to Rule 15B-14.001 and 15B-14.002, Florida Administrative Code, which outlines approval requirements and type of acceptance requirements for Light Transmittance Measuring Devices, the following devices are approved for use in obtaining evidence that may be used in any court in the State of Florida, pursuant to S. 316.2955(3), Florida Statutes:

Tint Meter Model 1000 (Enforcer II)  
Tint Meter Model 2000 (Inspector II)

A copy of this approval letter must be provided to all purchasers of the approved units in the State of Florida. Should you have any questions, please direct them to Lieutenant Richard H. Tullis, Florida Highway Patrol, Fleet and Property Management, 2900 Apalachee Parkway, Tallahassee, Florida 32399, (850) 617-2291.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ernesto Duarte".

Chief Ernesto Duarte  
Bureau of Law Enforcement Special Services  
Florida Highway Patrol
