LICENSE PLATE RATES INSTRUCTION SHEET

The 12 month registration period begins the first day of the owner's birthmonth (Exceptions: Company owned vehicles use the month of June; truck-tractors, semi-trailers and buses use a December birthmonth; mobile homes use a January birthmonth). To determine the number of months of tax required start with the month the vehicle was purchased or subject to registration and count through the month prior to the owner's birthmonth. Three months or less requires the quarter year rate, four to six months requires the half year rate, and over six requires the full year rate. (Example: You purchased your vehicle in November and your birthmonth is June, count a total of seven months (November through May) and the full year rate would be required.)

Trucks and trailers (except class 52 and 56) being registered for the first time are subject to monthly proration. For trucks weighing less than 5,000 lbs., if the shipping weight is not available on the manufacturer's statement of origin a certified weight affidavit from a weighing station is required. Any truck weighing over 5,000 lbs. requires a certified weight affidavit from a weighing station (even if the weight is listed on the manufacturer's statement of origin). The gross vehicle weight (laden weight) as declared by the owner, is required on all truck-tractors and trucks weighing over 5000 pounds.

(1) Temporary Tags, In-transit Tags and Transfers are included in both the tag and revenue counts beginning with fiscal year 1975-76. This also applies to subsequent years.

(2) The decrease in registrations and revenue from 1976-77 to 1977-78 is due to implementation of the staggered registration system during fiscal 1976-77. The implementation in 1976-77 caused a non-recurring, inflated registration and revenue amount for that fiscal year.

(3) Rate increase effective May 1, 1983 for three tier automobiles and light trucks along with truck-tractors.

(4) Delinquent fees were initiated in October, 1985, and $3.00 license plate replacement fee was initiated in February, 1986.
