STATE AND COUNTY PARTNER TO OFFER DRIVING TESTS IN TAX COLLECTOR OFFICE

~ Pleased to announce expanded service locations ~

TALLAHASSEE - The Florida Department of Highway Safety and Motor Vehicles is pleased to announce a new partnership that will benefit the people of Leon County.

As a result of a strong county/state partnership, DHSMV now offers driving tests at the Leon County Tax Collector's office at 3477 S. Monroe St. in Tallahassee.

"Leon County is pleased to partner with the state to bring driving tests to one of our offices," said the Honorable Doris Maloy, Leon County Tax Collector. "Our offices already provide many motorist services, so offering driving tests is a natural addition that ties in with our existing partnership with the state."

"Providing convenient services for citizens in Leon County and throughout Florida is extremely important to us," said Division of Driver Licenses Director Sandra Lambert. "The Department continually looks for ways to improve customer service, and we are thrilled to be a part of this new joint venture."

The Florida Department of Highway Safety and Motor Vehicles would like to encourage customers to skip the trip and use our many online services at www.flhsmv.gov. Customers can check the status of their motor vehicle or driver license, renew their driver licenses, identifications cards, vehicle tags and change their addresses, in the convenience of their home or office. Customers who need to visit an office may schedule an appointment online using our Online Appointment Service and Information System, <http://oasis.hsmv.state.fl.us/>.
