MOBILE LICENSING OFFICE TO BRING SERVICES TO SENIORS AT ANNUAL EVENT

~ Bringing services directly to you ~

OCALA -- The Florida Department of Highway Safety and Motor Vehicles is pleased to announce that its Florida Licensing On Wheels mobile office will be at the 26TH Annual Parade of Senior Services this Friday. The FLOW mobile provides a great opportunity to obtain identification cards and much more.

Florida Licensing On Wheels Mobile units are equipped with the technology and ability to bring valuable DHSMV services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, get an identification card, renew a vehicle registration and purchase a specialty license plate.

FLOW staff also will provide driver license and ID card holders the opportunity to enter Emergency Contact Information into a secure database only accessible to law enforcement. This is another critical tool used by law enforcement officials in cases such as a serious traffic accident where an emergency contact needs to be notified.

A complete list of acceptable documents is provided at www.flhsmv.gov. Other driver license and motor vehicle services also will be available at the event to include driver license renewals, updating addresses and names, voter registration applications, tag registration renewals and more. Visit <http://www3.hsmv.state.fl.us/intranet/FlowMobile/> for a complete listing of services offered. In addition to cash or check, we also accept Discover, MasterCard or American Express cards.

The FLOW Mobile is handicap accessible.

We are bringing the office to you. Please visit the DHSMV FLOW mobile at the following location:
