MOBILE LICENSING OFFICE TO PROVIDE SERVICES AT COMMUNITY SAFETY EVENT

~ Florida Licensing On Wheels helps keep Florida safe ~

JACKSONVILLE - The Florida Department of Highway Safety and Motor Vehicles is pleased to announce its participation in an event to bring services directly to customers, saving them a possible trip to our offices. On April 25, 2009, the Florida Licensing On Wheels mobile office will be at the River City Market Place Safety Fair, located at 13000 City Station Drive, North Jacksonville, Fla. The event hours are between 10 a.m. and 3 p.m.

This safety event will feature Jacksonville Sheriff's Office, Fire and Rescue, Jacksonville Transportation Authority, the Blood Mobile, Mammogram Mobile, Poison Control and many other safety displays. Private vendors, public service organizations, the media and local elected officials team up to highlight the best public service resources of the community.

FLOW mobile units are equipped with the technology and ability to bring valuable DHSMV services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, obtain an identification card, register a vehicle and purchase a specialty license plate.

The FLOW mobile also offers the Department's newest safety initiatives through Emergency Contact Information registration, ID cards for children (ages five and older) and safety campaigns by the Florida Highway Patrol.

Customers wishing to obtain a driver license or ID card must bring an original or certified copy of their birth certificate and proof of their Social Security number. The Department provides a complete list of acceptable identification documents online at www.flhsmv.gov/ddl/faqkeys.html. In addition to cash and personal checks, the Department accepts the following credit cards: MasterCard, American Express and Discover.

The Florida Department of Highway Safety and Motor Vehicles is charged with the mission of *providing highway safety and security through excellence in service, education and enforcement*. The Department is leading the way to *a Safer Florida* by way of three major components: driver licenses, vehicle tags and titles and the Florida Highway Patrol. To learn more about DHSMV and the services offered, visit www.flhsmv.gov.
