MOBILE LICENSING OFFICE TO PROVIDE SERVICES AT COMMUNITY FAIR IN MIAMI

~ Florida Licensing On Wheels helps keep Florida safe ~

MIAMI - The Florida Department of Highway Safety and Motor Vehicles is pleased to announce its participation in the Familia and Hogar Expo to bring services directly to customers, saving them a possible trip to our offices. On May 2 and 3, 2009, a Florida Licensing On Wheels (FLOW) mobile unit will be at the Familia and Hogar Expo in Miami. Admission and parking are free.

The Department will offer its services to the more than 40,000 participants attending the two-day family event. During the event, staff will distribute promotional items and educational materials, as well as answer questions relating to driving laws, licensing requirements, driving under the influence of drugs and alcohol, proper use of child restraints and the use of seat belts.

FLOWs are equipped with the technology and ability to bring valuable motorist services directly to customers. They provide a convenient method to renew a driver license, obtain a duplicate driver license, change a name or address on a driver license, obtain an identification card, register a vehicle and purchase a specialty license plate. The FLOW also offers the Department's newest safety initiatives through Emergency Contact Information registration, identification cards for children (ages five and older) and safety campaigns by the Florida Highway Patrol.

Customers wishing to obtain a driver license or identification card must bring an original or certified copy of their birth certificate and proof of their Social Security number. The Department provides a complete list of acceptable identification documents online at www.flhsmv.gov/ddl/faqkeys.html. In addition to cash and personal checks, the Department accepts the following credit cards: MasterCard, American Express and Discover.

DHSMV is bringing the office to you. Please visit the FLOW at the following location:
