MERRITT ISLAND DRIVER LICENSE OFFICE TO CLOSE THIS MONTH

~ Services will continue to be offered to area drivers ~

MERRITT ISLAND - The Florida Department of Highway Safety and Motor Vehicles wants to advise the public of upcoming changes to your local driver license office.

The driver license office located at 1450 North Courtenay Parkway, Suite 5 in Merritt Island will close Dec. 26, 2008. The closest state offices are located at 3442 North Harbour City Blvd. in North Melbourne and at 2290 Columbia Blvd. in Titusville. Employees from the North Courtenay office will relocate to other driver license offices to continue offering excellent customer service.

“The Department encourages customers to skip the trip and conduct their driver license business online at www.flhsmv.gov, where various online services are available. Customers can renew their driver licenses, identifications cards and vehicle tags, and change their address on their license or ID card from the comfort of their own home by using our online services,” said Division of Driver Licenses Director Sandra Lambert. “If a customer has received notification from the Department to come into an office, they can make an appointment at <http://oasis.hsmv.state.fl.us>. Making an appointment can be a time saving tool for customers.”
